CCCCF'S 20TH ANNIVERSARY

2013 marked the 20th Anniversary of the Cass County Community Foundation and as often happens, with anniversaries we spent some time reflecting on our beginning, the journey so far and where we wanted to go in the future. Starting with a challenge from Lilly Endowment and a dream, CCCF grew from a concept with no assets other than some passionate, thoughtful leaders to more than \$16 million in assets at the end of 2013. We are grateful for those courageous, original board members and all those who have led the Foundation since.

1993

The Northern Indiana Community Foundation is established.

Current and past board members gather to celebrate.

Letter from the Chairman of the Board

Many of us recall where we were on Friday, November 22, 1963. Elementary classrooms around the country knew "something really bad had happened."

On Friday, November 22, 2013—50 years later—The Cass County Community Foundation was celebrating something really good—its 20th year anniversary. In this anniversary year we continued cultural exchanges, watched development through small town meetings, and unveiled a brand new community stage.

As Board Chairman for 2013, it was an honor, no matter what the event, to work with others to emphasize education with scholarships, to award grants for community development, and to look down the road. And looking down a new road—and a new bridge—in Cass County, we want to work to build the best path for the next generation.

Susan Platt

Letter from the CCCC President

1993-2013

Chances are if you were around in 1993, you might remember the theme song from the hit movie Aladdin: "A Whole New World". Those words could have been written about

the birth of our Cass County Community Foundation and the Giving, Growing and Granting that has changed our community during the past twenty years... Several anniversary activities were planned to celebrate the vision of those courageous first volunteers, donors and staff. The year began with the announcement of a \$155,000 grant to purchase a mobile community stage. Town Hall Meetings were convened to gather our smaller communities together and support their needs with funds. New funds were established and new partnerships emerged.

At a very special "Thanks For Giving" event, we were honored to host Helen Monroe, chief architect and consultant for the Lilly GIFT initiative as our guest speaker. She was joined by former executive director Lisa Terry and board members, Paul Kroeger, Elizabeth Billman and Randy Head. Former board members were honored collectively as "Thanks For Giving" award recipients. The evening concluded with the opportunity for the attendees to be a grantmaker and select a project for \$20,000 of funding. After a tie vote, the board of directors hastily called a meeting and approved an additional \$10,000 to allow both projects to receive funding. It has been a great year of celebrating our past and looking ahead to even greater impact. The community foundation model started by Lilly Endowment has truly created "a whole new world" of opportunities and resources for our community and students.

Deanna Crisp

NEW FUNDS

2013 saw the start of many new funds for Cass County: Six will benefit students

#1 The **Community State Bank Academic Leadership Fund** was established by the bank to provide an annual scholarship for qualified students graduating from Pioneer and Caston High Schools in Indiana who plan to attend a four-year institution of higher education. The designated award will be made to one student at Pioneer and one student at Caston each year in the amount of \$1,000. The scholarship is also renewable for four years with proof of continued academic achievement and enrollment for a total of \$4000 per student award.

#2 The **Lois Jean McCrea Nursing Scholarship Fund** was established by Tom and Lois Jean McCrea to offer financial support to students who like, Lois Jean and the McCrea's two daughters, aspire to become a nurse and serve people. The recipient will be a graduate of Pioneer High School, plan to attend a four-year college or university, and demonstrate a strong desire to become a nurse. The annual award of the scholarship will be \$4,000 with a total award of \$16,000 for a four-year nursing program leading to earning a B.S.N. Degree.

1994

Lisa Terry Becomes Executive Director

1995

The Cass County Carousel Endowment, Salin Bank and Trust Company Endowment, and the Bill and Flo Edson Endowment were established.

1996

Cass County Valentines Day Event

#3 The Karen Myers Snyder Scholarship Fund

was established by her husband, Kevin "Sam" Snyder, and children, Mark Moyer and Kimberly Snyder Smith, in memory and honor of her life. The Snyder family is deeply committed to three purposes: agriculture to feed the world, education to shape our children and future, and nurses to continue to care for people in their time of need. The family cherished the idea of honoring Karen by helping others and the \$1000 four year renewable scholarship for Pioneer High School seniors who will be attending a postsecondary institution and majoring in agriculture, education or nursing.

#5 The Dean Winegardner Entrepreneurial Scholarship Fund

was established by former Logansport resident, Dean Winegardner and will provide an annual scholarship for qualified students graduating from Logansport High School who plan to attend a four-year institution of higher education. The scholarship is \$1000 and also renewable for four years for a total of \$4000 per student award. Mr. Winegardner graduated from Logansport High School in 1977 but was not able to attend college. He moved to Knoxville, TN in 1988 and began working in the book industry. In 1990, he opened his first Publisher's Warehouse bookstore and eventually grew the business into a 73-store chain. In 1997 he decided to focus on the wholesale segment of the book business, so he started American Book Company which is now the largest wholesale remainder book company in the industry.

#4 The Dr. Donald and Nancy Rutschmann Scholarship Fund

was established by Dr. Rutschmann in memory of his wife, Nancy to assist blind students who plan to attend post-secondary institutions, either graduates from the Indiana School for the Blind or students graduating from a special education program for blind students in Cass County. Dr. Rutschmann shared, Every time I hear Kenny Rogers singing his song, you decorated my life, I think of Nancy. Her legacy was not just her artwork but her giving heart and contributions to others with disabilities.

#6 Mick and Sandy Jacks Scholarship Fund

was established by Mick and Sandy Jacks in 2013 to provide one scholarship at Logansport High School and one scholarship at Pioneer High School for qualified students who are likely to succeed at a two-year vocational post-secondary institution. Mick grew up in Royal Center and Sandy moved to the Cass County area from Southern Illinois. Both Mick and Sandy are active volunteers and wish to help a young person develop skills.

1997

Lisa Terry and the Family Fine Arts Festival Committee

1998

Board member Jane Miller congratulates Cass County's first Lilly Endowment Community Scholarship recipient, Eric Foerg, with his parents, Bill and Mary Lou Foerg.

COMMUNITY GRANTS

\$90,014

A record amount of funding supported the following community projects:

Cass County 4-H Association \$17,625 for building renovations at the 4-H Community Center

Lewis Cass Band Boosters \$15,000 for a new equipment building

Domestic Violence Taskforce \$820 for laptop and software

Twelve Mile Community Center \$23,319 for renovations

Pulaski Health Foundation/Friends of the Panhandle Pathway \$9250 challenge match for trail equipment

Young America Lions Club/Lewis Cass FFA \$24,000 for a new greenhouse to provide educational experience and produce for local food pantries

1999

Fundraiser "Back Home Again in Indiana" where Payton Manning was the keynote speaker.

2000

CCCF established separate from NICF

LIFE-CHANGING LILLY SCHOLARSHIPS

CCCF has administered the Lilly Endowment Community Scholarship program since 1998 when Pioneer senior Eric Foerg was named the first recipient. The award continues to provide tuition and fees plus a book stipend for the recipient. Over the years, the names and faces have changed but the award remains the most coveted, prestigious award presented locally.

After so many years, you might think the process, interest and student participation might grow stale or predictable but that is never the case. Students who apply for the Lilly have often set their sights on the award since elementary school. Many times they know previous students who have received the award or have been finalists and typically are exceptional high achievers themselves. They are students who set lofty goals for themselves and dream big.

The competition is always fierce with finalists often separated by hundredths of a point. It is always difficult for our finalists to hear the news that another student was selected but imagine then the shock and joy to be called to the high school office a week later and see your parents and CCCF officials waiting to present you the Lilly Scholarship!

Kaley Bean was speechless when she learned she would be the 32nd Lilly Scholarship for Cass County. A Pioneer High School senior. Kaley had been the alternate in an extremely close competition but when the original named recipient accepted another award and could no longer accept the Lilly award, it was presented to the alternate and another dream was fulfilled.

Kaley is the daughter of James and Cindy Bean. She plans to attend Purdue University and major in biomedical engineering & science with aspirations of becoming a member of the Purdue All-American Marching Band. Following graduation, Kaley intends to pursue a career in pediatric orthopedics working with a company to produce child-size implants. The recipient of numerous academic and extra-curricular awards, Kaley is a member of the National Honor Society, a 2012 AP Scholar, National Merit Scholarship Semi-Finalist and was selected to participate in the Lugar Symposium. She is an active member in her church and two church youth groups and is student manager for the Pioneer Swim Team. She has also lead the Academic Super Bowl, Spell Bowl, and Quiz Bowl teams. Proficient with several instruments, she led the high school band as their Drum Major.

OTHER 2013 FINALISTS WERE:

Elizabeth Bingaman, of Pioneer High School
Laura Cahalan, of Logansport High School
Jason Hawes, of Logansport High School
Connor Kinnaman, of Logansport High School
Kelley McKaig, of Pioneer High School
